**JEDNOPOZIOMOWE I WIELOPOZIOMOWE RELACJE TRADE-OFF  
W PRZEDSIĘBIORSTWIE – WYBRANE ASPEKTY**

**Single-level and multi-level trade off in the company – selected aspects**

In the paper the division into trade – off relations of one (type I, II and III) and multiply levels has been proposed. The examples of the appearing in the enterprises have been presented and possibility of the appearing in the relations of multiply levels the trade – off correlations has been indicated in which relations at least two usually opposite elements such costs and quality of a product or service are improved.
