

## **THE DEVELOPMENT OF THE SZCZECIN SCHOOL OF TRANSPORT ECONOMICS**

### **Summary**

Prof. Górski describes his first experiences with the Szczecin School of the Economy of Transport with whom he is related from its very beginnings in 1946. Prof. Górski find himself in Szczecin directly from the Allies Army where he had served as a soldier (he was in Italy that time). The story gives a lot of interesting information concerning the beginnings and forming the new School through the whole history up to the present time.
