

MY TEACHER - PROFESSOR PRZEMYSŁAW MAŁEK

Summary

Prof. W. Grzywacz resembles his first superior prof. Małek which he recognizes as a founder of the general transport economics in Szczecin. Although prof. Małek is the main character in the paper prof Grzywacza recalls also the others famous and well - deserved persons either from before and after Second World War times. He dedicates also large part of the paper to development of the transportation economics science in Poland.
