THE ROLE OF FOREIGN CAPITAL IN REGIONAL DEVELOPMENT
OF WEST POMERANIA

Summary

The aim of the paper is to analyse and evaluate the importance of FDI to regional development of the West Pomeranian Voivodship. The first part of the paper presents the voivodship's share in the regional structure of FDI destinations. Next the author discusses the impact of companies with foreign capital on the voivodship's total employment, size and structure of its investment, and its involvement in foreign trade; it is those factors which determine to a large degree the economic efficiency of the analysed voivodship.
